Dear Licensees,

Re: Home Ownership Scheme Secondary Market Scheme

The Estate Agents Authority (“EAA”) is writing to draw your attention to the revision of the documentation under the above Scheme administered by the Hong Kong Housing Authority (“HA”).

The EAA has been notified by the HA that in view of the different resale restrictions for different estates under the Scheme, all the documentation relating to the resale of the units under the Scheme has been revised. The updated version can be used with immediate effect and can be downloaded from the website of the HA (www.housingauthority.gov.hk/en/global-elements/forms/buyer-and-seller/index.html). Licensees **must adopt** the updated version from **1 June 2019** onwards when handling the resale of the units under the Scheme.

For any queries, please contact the Secondary Market Scheme Unit of the HA at 3162 0680.
