
INSTRUCTIONS TO CANDIDATES (COMPUTER-BASED EXAMINATION)

The following instructions must be carefully noted and observed in every detail.

A. Check your Admission Form

1. Check carefully that the information printed on your Admission Form, i.e. name (English and Chinese), Hong Kong Identity Card number/Passport number and question language, corresponds with that in the Entry Form. If you discover a discrepancy, make a written request to the PEAK Examination Centre, Vocational Training Council (“PEAK Exam Centre”) for amendment at least 1 week before the examination.
2. Take note of all details provided in your Admission Form before the examination to avoid missing the examination, or attending on the wrong date, at the wrong time, or at the wrong examination venue.

Note: **Fees paid are not refundable or transferable** save in exceptional circumstances and subject to the approval of the Estate Agents Authority (“EAA”).

B. General Instructions

1. Before the examination, ensure that you know the location of the examination venue. You may contact the PEAK Exam Centre (Tel. No.: 2919 1467/2919 1468/2919 1478) to enquire about the location of the examination venue. You must take the examination at the examination venue specified on your Admission Form. Candidates who go to the examination venue other than the one stated on the Admission Form may not be allowed to take the examination. Even if you are admitted to take the examination, **5 marks will be deducted**.
2. Arrive at the examination venue **15 minutes** before the commencement of the examination. The examination time is specified on your Admission Form. The PEAK Exam Centre or EAA will not be responsible for any delay arisen due to operational reasons, including system failure.
3. Bring your original and valid Hong Kong Identity Card/Passport (“identification document”) to the examination venue. Candidates should print their Admission Forms on a blank A4-sized white paper and bring it to the examination. The chief invigilator may refuse to admit a candidate who cannot show his/her Admission Form and his/her identification document.
4. No writing instruments will be provided in the examination venue. Candidates can bring pencils or pens for doing rough work during the examination.
5. You are not allowed to use any dictionary (including the “Glossary of Terms for the Estate Agency Industry” issued by the EAA) during the examination.
6. Do not place any kind of bag on your desk.
7. When you are admitted to the examination venue, occupy the seat assigned to you.
8. (a) If you arrive late but not more than 45 minutes after the designated start time of the examination as stated in the Admission Form, you will be admitted to the examination venue but no extra time will be given to you.
(b) **You will not be admitted to the examination venue 45 minutes after the designated start time of the examination**, unless the chief invigilator determines otherwise.
(c) Even if you are admitted to the examination venue 45 minutes after the designated start time of the examination, you will be **disqualified** from the examination and no mark for the examination will be given to you unless you satisfy the EAA that there are very exceptional circumstances justifying your lateness.
(d) **You may not leave the examination venue during the first 90 minutes or during the last 30 minutes of the examination**. If you wish to leave the examination venue during the permitted time, you should raise your hand to summon an invigilator. You may leave the

examination venue with the approval of the invigilator.

9. Candidates are forbidden from switching on the monitor or any computer facilitates until they are instructed to do so by the chief invigilator.

10. Handling of Personal Belongings/Unauthorised Articles

You must put all your personal belongings in a bag. The bag must be properly closed and small enough to be placed under the chair or in an area assigned by the chief invigilator/invigilators before the examination begins. However, the PEAK Exam Centre will not be responsible for safekeeping your belongings. You will not be allowed to take out any materials from your bag during the examination. If unauthorised articles such as books, dictionaries, notes, papers or any kinds of electronic devices (e.g. calculators, tablets, PDA, mobile phones, Bluetooth headphones/headsets, pagers, MP3 players, camera devices/equipment, electronic dictionaries, scanner pens, databank watches, smart watches with mobile applications installed or wireless technologies supported and other electronic devices which can store and/or display texts) are found on/in your desk, on your body or in your pockets during the examination, you may be **disqualified** from the examination. If you bring a pencil box into the examination venue, you must place the contents on your desk and put the empty box under the chair.

11. Switch off all mobile phones, Bluetooth headphones/headsets, pagers, watches with alarms, and other electronic devices, and ensure that no sound is emitted from these devices during the examination. Deactivate the alarm function before switching off the phone.

12. You are not allowed to take photographs, audio-recording or video-recording inside the examination venue. Any photographs or recordings taken and their associated equipment would be taken away for further inspection and the photographs and/or recordings would be erased by the chief invigilator.

13. About examination venue environment

(a) If there are any undesirable conditions at the examination venue, you should inform an invigilator of the same immediately. Since it is difficult to collect circumstantial evidence after the examination, no consideration will be given to candidates who do not report unsatisfactory conditions at the venue in writing.

(b) In general, no consideration will be given to candidates' claims of performance being affected by any of the following factors:

(i) Normal background noise at examination venues – You should not expect complete silence in the examination venue as there may be normal background noise coming from outside vehicles, normal school activities, school bells, coughing and sniffing of neighbouring candidates, candidates entering and leaving the examination venue etc. during an examination.

(ii) Unsuitable room temperature – Examinations take place at various times throughout the year, and room temperatures of various examination venues may differ and the PEAK Exam Centre may not be able to adjust the examination venue temperature to suit each and every individual's requirements.

(iii) Change of seat – If the reported undesirable condition at the examination venue may be rectified or improved by a seat change, the chief invigilator may, upon your request, arrange a seat change if the need is genuine and a spare seat is available at the venue. In any case, no extra examination time will be given with regard to any change of seat.

(iv) Computer or system breakdown – If there is a technical breakdown caused by whatever reason during the examination, the PEAK Exam Centre will try to fix the problems but delay may inevitably arise. If the technical problems cannot be fixed within reasonable time, the PEAK Exam Centre will arrange the candidates concerned to take a rescheduled examination as soon as possible. Candidates cannot object to the arrangements and any requests for cancellation and/or refunds will not be entertained.

The PEAK Exam Centre will not be liable for the candidates' losses resulting from the system breakdowns.

14. Checking for electronic devices

You may be required to be scanned by electronic detection scanning devices (for example, hand-held metal detectors/wands) at such time and place, and in particular before/after going to the toilet, as may be decided by an invigilator. Failure to comply with such requirement will result in dismissal from the examination venue, and your examination fees will not be refunded.

15. Smoking or eating is not allowed in the examination venue. Candidates who smoke or eat during an examination may be **asked to leave the examination venue immediately**.

16. You are advised to bring a watch to time the examination as not all examination venues have a clock. Watches with functions/applications other than those of timekeeping are not permitted. The examination time is accordance with the time announced by the chief invigilator.

17. Parking facilities will not be available in the examination venue.

C. During the Examination

1. Place your identification document on the top right-hand corner of your desk and leave it there throughout the examination to facilitate verification of your identity by the invigilator. The identification document presented must be consistent with the identification document stated in the Entry Form. Candidates must be clearly identifiable from their identification document. Where the invigilator is of the view that the photograph on the identification document does not resemble the candidate or has doubts about the validity or authenticity of the documentation, the candidate in question will be required to provide further information and assistance to the invigilator and/or chief invigilator for the verification of his/her identity. The PEAK Exam Centre and/or the EAA have the right to conduct an investigation against the candidate(s) involved and withhold releasing his/her score or cancel his/her score (if already released) pending completion of the investigation. Candidates should be cooperative. The EAA has the right to **disqualify** the candidate if he/she is not cooperative in the investigation. If you do not have your Admission Form, report to an invigilator immediately. Keep the Admission Form after the examination for record purposes.

2. Read carefully and carry out the instructions displayed on the screen.

3. You should follow the instructions from the chief invigilator and input the required information for logging in the examination system by yourself. The chief invigilator will announce the start of the examination after the login is completed (normally within one minute). Invigilators will not input the information for candidates.

4. You can browse the Table of Stamp Duty Rates and Appendices to Part II of examination questions on screen. A printout of the Table of Stamp Duty Rates and Appendices to Part II of examination questions ("Supplementary Information Book") is also distributed to you at the same time.

5. When you receive your Supplementary Information Book, check that you have been given the correct paper and language version of the Supplementary Information Book. However, do not turn over the pages of the Supplementary Information Book or start working until you are instructed to do so. You will only be provided with the Supplementary Information Book in the language opted by you in the Entry Form.

6. You should do rough work on Supplementary Information Book only. Do not write anything on the Admission Form. If you write anything on the materials other than Supplementary Information Book, it will be considered as copying or retaining any information relating to examination questions and/or answers.

7. Select your answers on the screen by using the mouse. After you have completed the examination, raise your hand and inform the invigilator before submitting your answers. The invigilator will

instruct you on how to submit your answers. Provisional results will then be shown on the screen. For candidates who received mark penalty for breach of examination regulation, their marks will not be shown on the screen.

8. Invigilators will record your provisional result for your confirmation and signature. All results shown on screen are for reference only. They are subject to the result printed on the result slip sent to candidates by post. The result printed on the result slip is final and conclusive.
9. You are advised to familiarize with the examination format and operations. A “System Demonstration – Online Tutorial” is available on the website of the PEAK Exam Centre at www.vtc.edu.hk/cpdc. The PEAK Exam Centre will not be responsible for any disputes and consequences resulting from the commands incorrectly inputted by the candidates.
10. The Supplementary Information Book must be given up at the end of the examination. No examination stationery of any description may be removed from the examination venue by a candidate.
11. If you need to go to the toilet, raise your hand. Wait for the invigilator to escort you to the toilet. Your IN/OUT time will be recorded. No extra time will be given to make up for the time lost. If you take any material out of the examination venue or bring any material back with you, you may be **disqualified**.
12. You should raise your hand to seek the invigilator’s assistance if you encounter any problems during the examination.
13. If you have any queries about the contents of an examination question or you believe that there is an error in an examination question, you may at the end of the examination ask the invigilator to give you a “Candidate’s Note”. You may write your query down in the note and hand it to the invigilator before you leave the examination venue.
14. Keep quiet when leaving the examination venue early as other candidates may still be working for the examination.

D. End of Examination

After the end of the examination, invigilators will instruct you to submit the answers and collect all Supplementary Information Book. No material distributed to you can be taken out of the examination venue at any time during or after the examination.

1. When the chief invigilator announces time is up, immediately stop using the computer, including the mouse. The chief invigilator will instruct you to submit the answers. Invigilators will record your provisional result for your confirmation and signature. Remain seated and silent while the invigilators are collecting your materials. Wait until the chief invigilator has checked and counted all the Supplementary Information Books and other examination materials. When all the materials have been collected, the chief invigilator will announce your dismissal.
