

Circular

Circular No. 99-16 (CR)

25 November 1999

Information of Village Houses in the New Territories

The Rating and Valuation Department's Info-Hotline Service provides the floor area and year of completion of residential properties.

As the Info-Hotline Service does not contain information of village houses (including small houses) in the New Territories, practitioners handling such properties can go straight to the Land Registry or the Buildings Department for the information.

This Circular should be made available for the
information of all staff engaged in estate agency work.
