Precautionary Measures against Influenza in EAA CPD Activities

Important Notes to Participants

EAA has adopted the following precautionary measures against influenza to all its CPD activities and participants:

1. Participants should check their body temperature before leaving for CPD activities.
2. Participants who have a fever or influenza-like symptoms, such as runny nose, coughing and sneezing, should put on a mask, seek medical advice as soon as possible and stay at home.
3. Masks are available at the seminar venue. Participants may obtain one from EAA staff if necessary.
