TO THE MEMBERS OF THE ESTATE AGENTS AUTHORITY
(the "EAA")

地產代理監管局

(established in Hong Kong pursuant to the Estate Agents Ordinance)

We have audited the financial statements of the EAA set out on pages 104 to 124, which comprise the statement of financial position as at 31 March 2010, and the statement of income and expenditure, the statement of movements in reserves and the statement of cash flows for the year then ended, and a summary of significant accounting policies and other notes.

EAA's responsibility for the financial statements

The EAA is responsible for the preparation and the true and fair presentation of these financial statements in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"). This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the true and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit and to report our opinion solely to you, as a body, in accordance with Section 12 of the Estate Agents Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the HKICPA. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

審核工作涉及執行若干程序，以取得有關財務報表所述金額及披露事項之審計憑證。所選用之程序取決於核數師之判斷，包括評估因欺詐或錯誤而造成財務報表重大錯誤陳述之風險。於作出風險評估時，核數師會考慮與監管局編製及如實而公平地呈報財務報表有關之內部監控，以設計在有關情況下屬合理的審核程序，但並非為了就監管局之內部監控有效與否發表意見。審核工作亦包括評價所應用之會計政策是否適當、監管局所作之會計估計是否合理，以及評價財務報表之整體呈報方式。

本核數師相信，本核數師已取得充足和適當的審計憑證，作為本核數師審核意見之基礎。

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the EAA's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the EAA's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the EAA, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the state of the EAA's affairs as at 31 March 2010 and of its deficit and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards.
