

Chief Executive Officer of the Estate Agents Authority tested positive for COVID-19

(4 August 2022) The Estate Agents Authority (“EAA”) announced today that the Chief Executive Officer of the EAA, Ms Ruby HON Yuen-ping, was tested positive for COVID-19 through a rapid antigen test today. She is undergoing isolation in accordance with the order of the Centre for Health Protection of the Department of Health.

Ms Hon last went to work on 29 July. She wore masks at office at all times and followed relevant disease prevention measures, and conducted rapid antigen tests regularly. She has no recent travel history and did not attend the public seminar held by the EAA on 30 July.

The EAA has arranged a thorough cleaning and disinfection at the office concerned and will continue to implement disease prevention measures.
