

**Press Release of Publication of list of individuals and entities under the United Nations Sanctions (Democratic People's Republic of Korea) Regulation**

On 30 June 2023 (New York Time), the Committee of the United Nations Security Council (“UNSC”) established pursuant to UNSC Resolution 1718 concerning Democratic People's Republic of Korea **amended 16 entries on its sanctions list**. Please refer to the [press release](#) for details.

However the full updated Sanction Lists for the Democratic People's Republic of Korea (DPRK) is still yet available on UNSC’s webpage.

You may be aware that the UNSC’s update this time concerned **only amendments of details of the designated persons/entities**, but not additions or deletions. Hopefully, the impact, if any, arising from the unavailability of the Lists on UNSC’s webpage for the time being would not be too significant to your or your regulatees/supervisees’ work. Kindly consider taking any necessary actions to mitigate the unintended consequences, if any.
