

Expiry of financial sanctions and travel ban imposed against Iran

Under the United Nations Security Council Resolution 2231 (2015), amongst others, the restrictive measures contained in paragraph 6(c), (d) and (e) of Annex B to the resolution (viz. financial sanctions and travel ban) have ceased to apply. Accordingly, the Security Council of the United Nations has removed the sanctions list in respect of Iran from its [webpage](#) and also updated its [Consolidated Sanctions List](#).

2. Please note that the lists of “individuals and entities” in respect of Iran have similarly been removed from the [CEDB’s webpage](#). For your information and necessary action, please. Thank you.
