

「印花易」帳戶號碼及通行密碼，登入商業稅務網站(BTP)，繼續使用電子印花服務。

為準備推出新稅務網站，「稅務易」將於2025年7月17日晚上9:00至2025年7月21日早上9:00暫停服務。

如持牌人擬就2025年7月18日或19日到期加蓋印花的文書使用電子印花服務，可在2025年7月17日晚上9:00前提交電子印花申請。他們亦可分別於2025年7月18日提交當日到期加蓋印花的文書和於2025年7月21日提交7月19日到期加蓋印花的文書，至印花稅署以傳統方式加蓋印花。對於在2025年7月19日之後到期加蓋印花的文書，持牌人可在「稅務易」服務恢復後使用電子印花服務或選擇以傳統方式加蓋印花。

基於系統保安及有效管理考量，自啟用日期起，印花稅署將不再接受已在《商業登記條例》(第310章)登記的商業用戶申請新的「印花易」帳戶。本署強烈建議商業用戶於商業稅務網站(BTP)開立BTP公司帳戶，以繼續享受電子印花服務帶來的好處。由於現有的「印花易」帳戶即將逐步淘汰，因此亦建議現有

certificate. Business users can log into the BTP to access the e-Stamping services by using either a new BTP User Account or their existing “E-Stamp” Account Number and password.

To prepare for the launch of the New Tax Portals, the eTAX services will be temporarily suspended from 9:00 p.m. on 17 July 2025 to 9:00 a.m. on 21 July 2025.

If the licensees wish to use the e-Stamping service for stamping of instruments that are due for stamping by 18 or 19 July 2025, please advise them to submit the e-Stamping applications before 9:00 p.m. of 17 July 2025. Alternatively, they may submit instruments due for stamping on 18 and 19 July 2025 to the Stamp Office for conventional stamping on 18 and 21 July 2025 respectively. For those instruments due for stamping after 19 July 2025, the licensees may use the e-Stamping services after the resumption of the eTAX services or choose to stamp the instruments by conventional stamping.

For system security and effective control purposes, with effect from the Launch Date, the Stamp Office will cease to accept new “E-Stamp” Account(s) applications from business users having been registered under the Business Registration Ordinance (Cap. 310). To continue enjoying the benefits of the e-Stamping services, we strongly recommend that business users open a BTP Business Account under the BTP. Existing “E-Stamp” Account users are
