

**Estate Agents Authority supports the Government's
Wang Fuk Court long-term housing arrangement plan**

(22 February 2026) The Estate Agents Authority (“EAA”) welcomes the Government’s announcement of the Wang Fuk Court long-term housing arrangement plan.

Professor Simon SIU Chak-yu, Chairman of the EAA, notes that the plan provides a variety of practical and reasonable options to address the diverse views of the affected owners to the extent possible.

Professor SIU hopes that with the help of the Housing Bureau’s “engagement team”, the owners concerned will quickly grasp the contents of different options, so that they can after careful consideration make suitable choices early to resolve their long-term housing issues.
